

# THE JACOB RADER MARCUS CENTER OF THE AMERICAN JEWISH ARCHIVES

---

Colleagues,

**We need your help in collecting American Jewish sources on the massacre of October 7 and the Israel-Hamas War.**

It is imperative that we preserve the records of this tragic time in our history. The Marcus Center is looking to develop as complete a collection as possible for the scrutiny of future generations.

Any material you can contribute—**sermons, memorial programs, editorials, etc.**—will be deeply appreciated. Please let us hear from you. Send any relevant material by **email** ([American.jewisharchives@gmail.com](mailto:American.jewisharchives@gmail.com); Attention: Israel 2023) or mail to:
