

THE JACOB RADER MARCUS CENTER OF THE AMERICAN JEWISH ARCHIVES

Colleagues,

We need your help in collecting American Jewish sources on the massacre of October 7 and the Israel-Hamas War.

It is imperative that we preserve the records of this tragic time in our history. The Marcus Center is looking to develop as complete a collection as possible for the scrutiny of future generations.

Any material you can contribute—**sermons, memorial programs, editorials, etc.**—will be deeply appreciated. Please let us hear from you. Send any relevant material by **email** (American.jewisharchives@gmail.com; Attention: Israel 2023) or mail to:
