

AN APPEAL FOR COVID 19 RELATED MATERIAL

Dear Colleagues:

Scholars of the American Jewish experience will certainly be interested in the response of our communal leaders to the COVID-19 pandemic that has afflicted our country and the world since the beginning of this year. The Marcus Center is looking to develop as complete a collection as possible for the scrutiny of future generations.

Any material you can contribute in either electronic or hard copy—

***sermons, eulogies, memorial programs, editorials,
webinars, op-eds, etc.***

—that speak directly to how our American Jewish community has been affected by this pandemic and how it has responded to it will be deeply appreciated. Please let us hear from you.

If you have any questions, please contact Dr. Dana Herman at:
