“THOU SHALT NOT STAND IDLY BY,” is the inspiring story of how one woman forged a series of unprecedented partnerships across national, tribal, and religious boundaries to impact an overwhelming crisis against near impossible odds.

Set against the backdrop of the Syrian civil war and the massive humanitarian crisis it produced, Georgette Bennett tells the largely untold story of how sworn enemies—Syrians and Israelis, Jews and Muslims—came to trust each other with their lives in order to alleviate terrible suffering. The dramatic tale of their unlikely collaboration illustrates what a few determined individuals can do in the face of inertia, inefficiency, and widespread indifference. It also shows how the novel concept of humanitarian diplomacy offers a beacon of hope for all the hate-based clashes occurring around the world today.
